

Hello Neighbor!

The Cove Neighborhood Association (CNA) wishes you well!

It has been a challenging time for everyone. Special thanks to our neighbors for respectfully social distancing as we enjoy our parks and walkways. We can safely enjoy the beauty that nature provides as we look forward to spring!

Although we have had limited activities due to the pandemic, CNA has been productive through 2021. We have had trash clean-ups in our neighborhood and continue to maintain gardens to keep our neighborhood beautiful. The CNA decorated for the holiday season with lights and red ribbons.

Our goal remains the same for the future, to keep you informed of pertinent issues that affect The Cove through our website and e-mails. We look forward to resuming general meetings at Chelsea Piers as soon as it is possible to do so safely. We will continue to keep our neighborhood looking great through our members tireless participation at clean-ups and beautification and to keep our membership growing!

The CNA membership remains at \$10 for the year, but we would greatly appreciate any additional amount that you would like to donate for plants, flowers, mulch, our website and holiday decorations. We also have copies of the very interesting book "History Of The Cove" available for \$15, a super read! Thank you and lets all work together to keep The Cove looking its best and a great place to live!

Sincerely,

Lyle Fishell
